The ProBuilder 42 Clean Face Deluxe is shown with the Common Brick Fireback and High Definition 10 Piece Classic Oak Log Set.

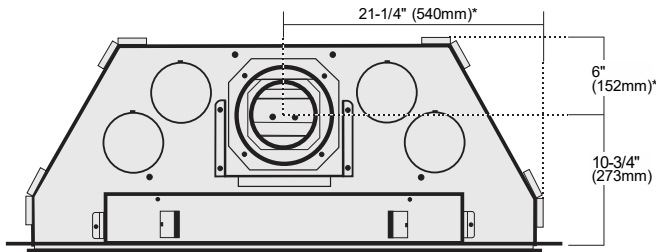

Great rooms and grand spaces ready for a bold statement are perfectly suited for the ProBuilder 42 Clean Face! Representing the largest model in our lineup, this fireplace provides stunning beauty and warmth to large homes and gathering places. The “clean face” look of this model resembles a traditional masonry fireplace and allows tile or other non-combustible finishes to be installed right up to the glass frame.
